Will of Isaac Hite

Cave Spring, Kentucky

Well aware that the period is not very remote when it may please the Supreme Being, to call me from this subumary world, and being the more impressed with the approach of that awful period, from an indisposition, what for a considerable time confined me, therefore leaving myself to the disposition of that Being who gave me existence - I constitute this my last will and testament, for the disposition of my worldly concerns.

Item --I give to my beloved wife Harriet Hite 400 acres of land to include the plantation whereon I now live, known by the name of the Cave Spring, except 5 acres thereof including the tan yard, being part of 1400 acres parented to Abram Hite, to have and to hold the sd tract of land, during her natural life. I also bequeath to my sd wife, the one third part of all my personal estate. I also bequeath to my sd wife, during her life, the negro man named Daniel, and the negro girl named Dinah and her increase, also Charles and Polly, children of Delia and the sd Delia during her

servitude, and their increase and at the decease of my said wife the sd negroes descend to my three children Rebecca Vanmetre Hite - Elizabeth Rigby Hite and Jacob Hite to be equally divided.

Item - I give and bequeath to my daughter - Rebecca Vanmetre Hite and her heirs - 500 acres of land part of the Cave Spring tract, to join the 400 acres devised to my beloved wife on the North and East.

Item - I give and bequeath to my daughter Elizabeth Rigby Hite and her heirs 500 acres of land part of 1050 acres patented in my name as assee of James Nourse, adjoining a tract of 100 acres on the South West, which sd 100 acres is to be laid off on the South West and adjoining the 400 acres devised to my beloved wife and to include the saw and grist mill.

Item - I give and bequeath to my son Jacob Hite and his heirs at the decease of my beloved wife - the sd 400 acres of land devised to my sd wife during her natural life - I also bequeath to my said son Jacob Hite and his heirs, when he shall become of age, the tract of 100 acres, to include

the saw and grist mill, also the tan yard and appurtenences thereto belonging.

Item - I give and bequeath to my three children Rebecca, Elizabeth and Jacob to be equally divided when either shall become of age, the following negroes viz - Jack and his wife Rachel and their children Hannah, Milly and Lucy - and their increase to them and their heirs forever. It is my desire that my executors herafter named do rent, or otherwise let the tan yard, and 5 acres of ground to include the same, in such manner as to them shall appear most beneficial, and the proceeds thereof apply to the payment of debts if necessary otherwise to the education or benefit of my children. It is also my desire that my executors do rent or lease at their discretion the mills with the 100 acres of land to include the same until my son Jacob Hite becomes of age, or intermarries - the proceeds thereof to be applied as directed respecting the tan yard. And whereas sundry lands are now held in copartnership by Abram Hite decd - by his legatee Rebecca Hite, during her life, Abram Hite Jr., Joseph Hite and

myself - I do hereby empower my sd executors Robt Breckenridge and Richard C. Anderson, or either of them, for, and in behalf of my heirs to divide the sd lands with the sd partners - agreeably to the articles of the sd copartnership and deeds of partition to make agreeable to such division - also empowering my sd executors to join with the sd partners in the sale of my lands belonging to the sd partnership, that may be thought necessary previous to the sd division for the payments of any debts due from the sd copartners, and also to join with the surviving partners in the conveyance of any lands by them so sold, or that may have heretofore been sold, and conveyances not executed. Also to comply with all bonds of mine out for the conveyance of land that shall appear to them just and right. It is my desire that my sd executors, shall as soon as a division of the land held in sd copartnership can be accomplished, dispose of any part of my proportion thereof, that may be necessary for the payment of my debts, and the residue thereof to be equally divided between my 3 children, or in the case of the death of either

of them between the survivors, leaving it discretionary - with my sd executors to sell the sd lands or any part thereof - they may think proper, and divide the proceeds thereof between my sd children as afsd - hereby empowering my sd executors to settle all controversies respecting lands or any other matter whatsoever, either by way of compromise, arbitration or suit at law - and conveyances made to such lands as shall be by them sold. Lastly I do constitute and appoint my loving brother Abram Hite with my trusty friends Robert Breckenridge, Wm. Taylor, Richd C. Anderson and Moses Krykendall my executors of this my last will and testament. In testimony whereof I have hereunto set my hand and affixed my seal this 8th day of Feby 1794.

HUFF FAMILY IN AMERICA

Tradition of beginnings of Huff family in America, taken from stories told from generation to generation and as late as 1910 gleaned by contact of persons of same name - using three spellings.

Three brothers "Hough" came to America with colonists sent by Lord Baltimore to Maryland, a land grant given by King Charles in 1634. For some reason one changed the spelling to Huff; another to Hoff; and the third kept the English or Scottish spelling Hough. Two sons of Aquilla Huff (born 1810) have met men of both other spellings. Spencer (b.1863) met a Hough in Louisiana who had this story of his ancestors. Benjamin Huff (b.1853) met Dr. Hoff in Chicago who also had the same.

A son of the one who used Huff was named Willis Huff, who is this author's ancestor. There were two other Huff's, William and Wilson, who may have been Willis's brothers.

From several branches of the family we find all have the same tradition, that Willis Huff was a farmer in Fauquair and Loudoun Counties, Virginia, and during the winter months or in times of great need, served as an"Irregular" with both Marion and Sumpter. We have no record of his wife's name but three of his sons were as follows:

David who had a son Aquilla, the father of George Huff, the noted coach at the University of Illinois and for whom the Stadium is named;

Jacob, who moved to Tennessee and later to Indiana in 1834. Two of his sons must have moved to Indiana earlier as their names appear on the record of the Indiana Constitutional Convention

George, who also had a son Aquilla, which leads to the thought that the name belonged to an earlier generation.

Note 1: From here on the records are taken from Family Bibles which are in the possession of Nannette Warfield Peck of Oakley, Illinois, who is a granddaughter of Aquilla Huff.

Note 2: The sentence "Emmerson Huff has history of all the race" is written in pencil on one page of notes collected by Benjamin F. Huff, who died in Cerro Gordo, Illinois, December, 1940.

Copied by Benjamin Huff from his Grandfather's Bible.
I do not know who has the bible itself.
